CAMPS

International Camp Ministry had another strong year. God continues to use camps as the key ministry strategy to impact nations. We continue to see God use the Camp Ministry to be the “multiplier” as we reach coaches and athletes around the world. Through training of international leaders, the Camp Ministry remains strong. We increased in total camps **from 194 camps last year to 284 camps this year and 36 countries last year to 45 countries.**

SPORTS BIBLES

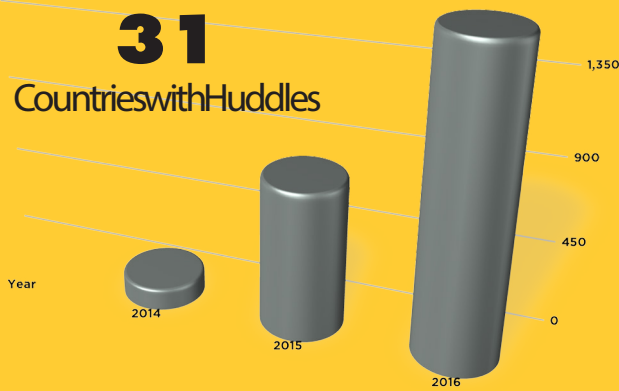

FCA Resources continue to be used around the world to reach coaches and athletes, primarily with Bibles and devotionals. We are now meeting specific needs and publishing translated resources for our leaders. This is a growing area of ministry for the International office.

We are partnering with Biblica (The International Bible Society) producing **50,000 Thai Sports Bibles and 50,000 Vietnamese Sports Bibles.** Our Southeast Asia leaders are engaged in this project to properly distribute these Bibles to coaches and athletes.

HUDDLES

In 2014, we captured for the first time the total international impact through Huddles. We had 118 Huddles reported in 2014. In two years, we expanded to **1,613 Huddles in 31 countries**. **These Huddles reached 34,378 coaches and athletes with 2,198 first-time decisions for Jesus Christ.**

We are seeing more opportunities to minister through sport associations and leagues. FCA is committed to getting coaches and athletes into small group Bible studies to grow in their faith.

3D COACHING

FCA established two Coaches Ministry Academies outside the US - one in Europe and one in East Asia. One training was hosted in May in Germany, and we trained 44 coaches and ministry leaders to develop 3D Coaches throughout Europe. The other training will be in December in Singapore, and we will train 40 leaders from 10 different East Asia countries. We believe that as coaches continue to implement the lessons of 3D Coaching, countless lives will be reached through this endeavor!

FCA International leaders hosted **83 workshops in 27 countries that reached 3,049 coaches.**
