🕒 BACKGROUND

Sport transcends age, race, gender, economics and even nationality. As a result, FCA works with local sport ministry leaders and existing ministries in the Central Africa Global Region. This impact is expanding throughout Central Africa with **five leaders in Ghana, Niger and Uganda.**

Camp Ministry and Coaches Ministry continue to expand in countries across Central Africa. We are intentional in training sports leaders to establish ministry in their countries. Coaches Ministry is growing through our 3Dimensional Coaching program leading to the formation of Coaches Huddles.

! CHALLENGE

- Among the 32 countries in the Central Africa Global Region, Islam is the fastest growing religion. The region averages only **12% of evangelicals per country**, while more than half of the countries list tribal religion or Islam as their predominant faith of choice.
- Central Africa struggles to have hope due to the rise of disease, military conflict and political corruption. **Few places on the earth need the Gospel more.**

“The vision of FCA to “see the world impacted for Jesus Christ” is coming to fruition. Through prayer, God’s leading and great leadership we have found our place in the global movement of our Lord in sport.”

SHANE WILLIAMSON
FCA President/CEO

💡 SOLUTION

- We believe **sports is the universal language** that breaks down barriers and unifies communities in Central Africa.
- We believe coaches are the primary influencers in sports. Therefore, FCA ministers **to and through the coach.**
- We believe sports can be **redeemed by Jesus Christ** through equipping local leaders.

🏠 STRATEGY

- **Align and assign** the U.S. Southeast Central Region with the Central Africa Global Region through praying, giving and going.
- **Train the trainers** by equipping sports ministry leaders in Central Africa with effective methods of ministry.
- **Develop the affiliate program** of local leaders by equipping them with programs, services, support and tools to grow their ministries.
- **Develop and distribute ministry resources** to leaders and organizations in Central Africa.
- **Partner with** ministries, churches and leaders.
