Fellowship of Christian Athletes

We have audited the accompanying financial statements of **Fellowship of Christian Athletes** (a nonprofit organization) which comprise the statement of financial position as of August 31, 2013, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

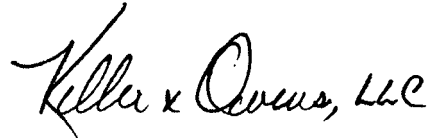

We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Fellowship of Christian Athletes** as of August 31, 2013, and the changes in net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the **Fellowship of Christian Athletes** 2012 financial statements, and our report dated January 23, 2013, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended August 31, 2012, is consistent, in all material respects, with the audited financial statements from which it has been derived.

FELLOWSHIP OF CHRISTIAN ATHLETES

NOTES TO FINANCIAL STATEMENTS

August 31, 2013

1. ORGANIZATION AND SUMMARY OF ACCOUNTING POLICIES

Organization - The **Fellowship of Christian Athletes** (FCA) was founded and incorporated in Oklahoma in 1954, with a stated purpose "to present to athletes and coaches, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the Church". In 1956, FCA National Support Center was moved to Kansas City, Missouri, where it continues to be based. FCA is supported primarily through donor contributions and fees charged for camps, conferences and memberships.

The donor base of FCA consists primarily of citizens of the United States of America.

Accrual basis - The financial statements of FCA have been prepared on the accrual basis of accounting.

Advertising - Advertising costs are expensed as incurred.

Basis of presentation - The financial statements of the Organization have been prepared in accordance with FASB ASC 958-210. Under FASB ASC 958-210, FCA is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

The financial statements as well as the supplemental schedule of functional expenses include certain prior year summarized comparative information in total, but not by net asset category. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the organization's financial statements for the year ended August 31, 2012 from which the summarized information is derived.

Cash and cash equivalents - For purposes of the statement of cash flows, cash and equivalents includes cash in banks, cash on hand, certificates of deposit and temporary investments (government securities with an original maturity of three months or less).

FELLOWSHIP OF CHRISTIAN ATHLETES

NOTES TO FINANCIAL STATEMENTS

August 31, 2013

1. ORGANIZATION AND SUMMARY OF ACCOUNTING POLICIES (continued)

Contributions - Contributions are recorded as unrestricted, temporarily restricted or permanently restricted revenue depending on the existence and/or nature of any donor restrictions. Amounts received without donor stipulations are recorded as unrestricted support and revenue. Amounts received with donor stipulations that limit the use of the donated assets, and amounts earned on those assets, are recorded as temporarily or permanently restricted support and revenue, depending on the nature of the restriction. When the expenses are incurred for their designated purpose, temporarily restricted net assets are reclassified to unrestricted net assets and reported as net assets released from restrictions.

Contributions from state and local offices are recorded as revenue when received, including items received subsequent to year-end that were determined to be in transit at year-end.

Contributed property and equipment - Contributed property and equipment is recorded at fair value at the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support.

Contributed use of facilities and vehicles - Contributed use of facilities and vehicles are recorded at fair market value for the time made available to FCA during the year.

Donated securities - Donated securities with a fair market value at the date of contribution in the amount of \$458,779 and \$362,669 are included in cash flows from operating activities for the years ended August 31, 2013 and 2012, respectively.

Donated services - A substantial number of volunteers donate significant time to FCA. These donated services were not recognized in the financial statements because they did not meet the criteria for recognition under FASB ASC 958-605.

Fair value of financial instruments – The Organization has adopted the provisions of FASB ASC 820-10 for financial and nonfinancial assets and liabilities measured at fair value on a recurring basis and for nonfinancial assets and liabilities measured initially at fair value.

The carrying amounts of financial instruments including cash and cash equivalents, certificates of deposit, receivables, promises to give, note receivable, accrued expenses and accounts payable approximated fair values as of August 31, 2013 due to their short-term nature. The fair value of investments is disclosed in Note 2.

FELLOWSHIP OF CHRISTIAN ATHLETES

NOTES TO FINANCIAL STATEMENTS

1. ORGANIZATION AND SUMMARY OF ACCOUNTING POLICIES (continued)

Income taxes - FCA has been declared a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code. In addition, FCA has been classified as a publicly supported organization, which is not a private foundation within the meaning of Section 509(a)(1) of the code.

The Organization has adopted the provisions of the FASB ASC 740-10 as it might apply to the Organization's financial transactions. The Organization's policy is to record a liability for any tax position that is beneficial to the Organization, including any related interest and penalties, when it is more likely than not the position taken by management with respect to the transaction or class of transactions will be overturned by a taxing authority upon examination. Management believes there are no such positions as of August 31, 2013 and, accordingly, no liability has been accrued. However, tax years through August 31, 2013 remain subject to IRS examination.

Investments - Investments in marketable securities with readily determinable fair market values and all investments in debt securities are stated at fair market value. Unrealized gains and losses are included in investment return in the accompanying statement of activities. Nonmarketable investments are recorded at cost at date of acquisition or fair value at date of donation in the case of gifts.

Merchandise held for resale – Merchandise held for resale is stated at the lower of cost (first-in, first-out) or market.

Operations - The accompanying financial statements include the operations of the national, state and local offices of FCA. Currently FCA operates approximately 460 offices throughout the United States. The National Support Center provides receipting of funds, disbursement controls, centralized accounting and other operational services for those offices.

Property and equipment - Land, buildings, and equipment additions over a nominal amount are stated at cost at date of acquisition or fair value at date of donation in the case of gifts. Depreciation is provided over the estimated useful lives of the respective assets primarily on a straight-line basis. Useful lives for depreciation are as follows:

Land improvements	20 years
Buildings and improvements	20 - 50 years
Equipment and furnishings	3 - 8 years

FELLOWSHIP OF CHRISTIAN ATHLETES

NOTES TO FINANCIAL STATEMENTS

August 31, 2013

1. ORGANIZATION AND SUMMARY OF ACCOUNTING POLICIES (continued)

Subsequent events – Management has evaluated events and transactions that have occurred since August 31, 2013 and reflected their effects, if any, in these financial statements through February 3, 2014, the date the financial statements were available to be issued.

Use of estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2. FAIR VALUE MEASUREMENTS

The objective of a fair value measurement is to determine the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Accordingly, the fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three-tier hierarchy of inputs is summarized in the three broad levels that follow:

- Level 1 - inputs are unadjusted quoted market prices in active independent markets for identical assets and liabilities;
- Level 2 - inputs are directly or indirectly observable estimates from quotes for similar but not identical assets and liabilities, market trades for identical assets not actively traded or other external independent means;
- Level 3 - inputs are unobservable and reflect assumptions on the part of the reporting entity.

FELLOWSHIP OF CHRISTIAN ATHLETES

NOTES TO FINANCIAL STATEMENTS

August 31, 2013

8. NOTE RECEIVABLE

In connection with the sale of the National Conference Center in 2007, FCA entered into an agreement with the buyer of the facility to carry back a mortgage in the amount of \$2,900,000. The note was stated at the unpaid balance, less any allowance for doubtful accounts. The terms of the loan called for interest to accrue at a rate of 5.25% through April 30, 2016 when the rate was to be adjusted to prime plus 2%. The agreement also called for payments to be deferred until April, 2012 when a lump sum principal and interest payment of \$289,688 was due and received. In 2013, this note was discounted by \$150,000 and the buyer paid off the note receivable.

9. CASH SURRENDER VALUE OF LIFE INSURANCE POLICIES

FCA has a contribution plan whereby donors purchase life insurance policies and name FCA as the policy owner and beneficiary. Total face value of all policies in force at August 31, 2013 was \$2,220,285. The accumulated cash surrender value of all policies held is recorded in the financial statements as temporarily restricted assets.

10. CHARITABLE TRUSTS

FCA is the charitable remainder in one unitrust agreement. Under the unitrust agreement, the donor, or donor's survivors, receives income distributions for defined periods. At the expiration of the defined periods, the portion of the principal designated will be distributed to FCA. The portion of the trusts attributable to the future interest of FCA is recorded on the statement of activities as temporarily restricted contributions in the period received. The liability on the statement of financial position entitled "Charitable Trusts" includes the present value of the life interest payable to the trust recipient. The principal of the life income gifts is invested primarily in common stocks, corporate bond funds, and a flexible adjustable life insurance policy. 16. ENDOWMENTS

The Organization's endowment consists of approximately fifty long-term investment funds, a majority of which were established for program expenses. Its endowment consists of term endowments. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Trustees of the Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (1) the original value of gifts donated to the permanent endowment, (2) subsequent gifts to the endowment, and (3) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund.
- The purposes of the Organization and the donor-restricted endowment funds.
- General economic conditions.
- The possible effect of inflation and deflation.
- The expected total return from income and the appreciation of investments.
- Other resources of the Organization.
- The investment policies of the Organization.

17. LITIGATION

The Organization is subject to claims and lawsuits that arise primarily in the ordinary course of business. It is the opinion of management that the disposition or ultimate resolution of such claims and lawsuits will not have a material adverse effect on the financial position of the Organization. Events could occur that would change this estimate materially in the future.

18. PRIOR PERIOD ADJUSTMENT

During 2013, management determined that a donated asset was incorrectly recorded since title to the property did not transfer to the Organization. The prior year financial statements have been restated to correct this error.
